 (c) CIA Regulation [REDACTED]

25X1A

1. Because of an inadequate number of qualified applicants, the Defense College Selection Board has been unable to make recommendations to the Director of persons to attend forthcoming courses at the Army War College, Naval War College, and the Air War College. This situation was reviewed by the CIA Career Service Board at its meeting on 23 April 1953. The Career Service Board decided to ask each Office Career Service Board to make certain that all employees under its jurisdiction are canvassed in order that all qualified persons may have the opportunity to apply. Also, it requested each Office Board to nominate at least one candidate for one or more of these Defense Schools.

2. This Office strongly endorses these efforts to stimulate increased interest for participation in these courses. Accordingly, your office is expected to nominate at least one individual for attendance in one or more of the schools mentioned. The final date for applications to reach the Office of Training is 8 May 1953. Nominations should be received in this Office not later than 5 May for referral to the Director of Training.
